

## AMERICA'S ESSENTIAL HOSPITALS

### **Alexander R. Green, MD, MPH**

Director, The Disparities Solutions Center  
Senior Scientist, Mongan Institute for Health Policy  
Associate Professor, Harvard Medical School  
Co-chair, Cross Cultural Care Committee, Harvard Medical School

Dr. Green is associate director of the Disparities Solutions Center and Senior Scientist at the Mongan Institute for Health Policy at Massachusetts General Hospital. He was awarded the Arnold P. Gold Associate Professorship of Medicine at Harvard Medical School and serves as chair of the Cross-Cultural Care Committee. He received his bachelor and medical degrees from the University of California, San Diego, and completed residency in internal medicine at New York Hospital—Cornell Medical Center, where he later served as associate director of the Primary Care Internal Medicine Residency Program. He was a National Health Services Corps fellow in Queens, New York, and later completed a research fellowship and master's degree in public health at Harvard School of Public Health. Dr. Green's research and programmatic interests focus on culturally competent approaches to quality improvement, unconscious bias in health care delivery, language and patient safety, and cultural competence education for health professionals.
