

AMERICA'S ESSENTIAL HOSPITALS

Peggy Bailey

Senior Policy Advisor

Corporation for Supportive Housing (CSH)

Peggy Bailey has over 15 years of experience working on federal, state and local policy and service delivery on a wide variety of issue areas, with expertise in Medicaid eligibility and benefits for families and people with disabilities, public health innovation, behavioral health service delivery and integration with primary care, youth homelessness policy and service delivery, and child welfare. As the Director of Health Systems Integration for CSH, Ms. Bailey oversees our policy efforts to ensure all residents of supportive housing have health insurance, typically through Medicaid and Medicare, and access to insurance benefit packages that comprehensively meet their needs. In addition, she has worked with the U.S. Department of Health and Human Services' Administration for Children and Families to target resources for supportive housing to child-welfare-involved families, worked with state Medicaid agencies to improve health financing for supportive housing services, and worked with Congress and the Administration to increase behavioral health investment in supportive housing. Before joining CSH, Ms. Bailey served as the Behavioral Health Policy and Program Analyst for the National Alliance to End Homelessness. Prior to joining this, Ms. Bailey was the Senior Healthcare Financing Policy Analyst for the Association of Maternal and Child Health Programs. Peggy has a Bachelor of Arts degree from the University of Notre Dame and a Master of Public Affairs degree from the University of Texas at Dallas.
