

## AMERICA'S ESSENTIAL HOSPITALS

**Jordan DeMoss**  
**Senior Associate Vice President**  
**University of Alabama at Birmingham Hospital**

DeMoss oversees the laboratory services, respiratory care, food and nutrition services, guest services, environmental services, pastoral care and psychiatric, geriatric, and palliative medicine service lines. He is also responsible for the daily operations of the UAB Hospital-Highlands campus. During his 10 years at UAB Medicine, he has served as a senior leader of ancillary and outpatient services both at the Spain Rehabilitation Center and in the corporate office of the UAB Health System. UAB Hospital is a 1,157-bed academic medical center in Birmingham and recognized as one of the best hospitals in America.

DeMoss earned his bachelor's degree in international business administration from Rhodes College, in Memphis, Tennessee, and his master's in healthcare administration from UAB.

DeMoss serves as board president of the Alabama Chapter of the March of Dimes, chair of the Literacy Council of Central Alabama, and board member of the Ronald McDonald House Charities of Alabama. He is an adjunct instructor for the UAB School of Health Professions. He was featured in *Birmingham Business Journal's* 2013 "Top 40 Under 40" and has participated in the Alabama Leadership Initiative. DeMoss is a fellow of the American College of Healthcare Executives and a 2015 graduate of the America's Essential Hospitals Fellows Program.
