

Calling All ESSENTIAL HOSPITAL ADVOCATES!

The Federal Action Network (FAN) offers exclusive resources and networking for essential hospital advocates. FAN membership is available at no cost to staff and colleagues of hospital and health system members of America's Essential Hospitals.

Make the most of your association membership:

Join the FAN today!

Since 2018, the FAN community has connected essential hospital leaders who share a passion for federal politics and policymaking. With in-depth tools and support, the FAN helps you impact legislative and regulatory issues important to your hospital and navigate the complex and ever-changing political and policy landscape in Washington, D.C.

To join, go to FederalAction.net

Federal Action Network

Take Your Advocacy to the Next Level

Network with hundreds of hospital advocacy leaders

- Attend exclusive FAN receptions at VITAL, the annual conference of America's Essential Hospitals.
- Network in Washington, D.C., at our annual Policy Assembly legislative fly-in.

Expand your knowledge, sharpen your advocacy skills

- Participate in topical and timely virtual advocacy education throughout the year, including webinars on emerging legislative issues.
- Receive exclusive FAN communications, including legislative and election updates.

Connect with and inform your members of Congress

- Get calls to action on legislation, congressional sign-on letters, hearings, and other Capitol Hill activities that directly affect your policy priorities.
- Amplify your hospital's voice in the legislative process.
