Inflation Reduction Act Learning Lab: Session 1

Tanya Alteras, Keith Edgerton, and Winslow Dresser

July 11, 2024

AGENDA

THANK YOU TO OUR PARTNERING ORGANIZATIONS

PROGRAM GOALS

Provide a deep dive into the Inflation Reduction Act (IRA)

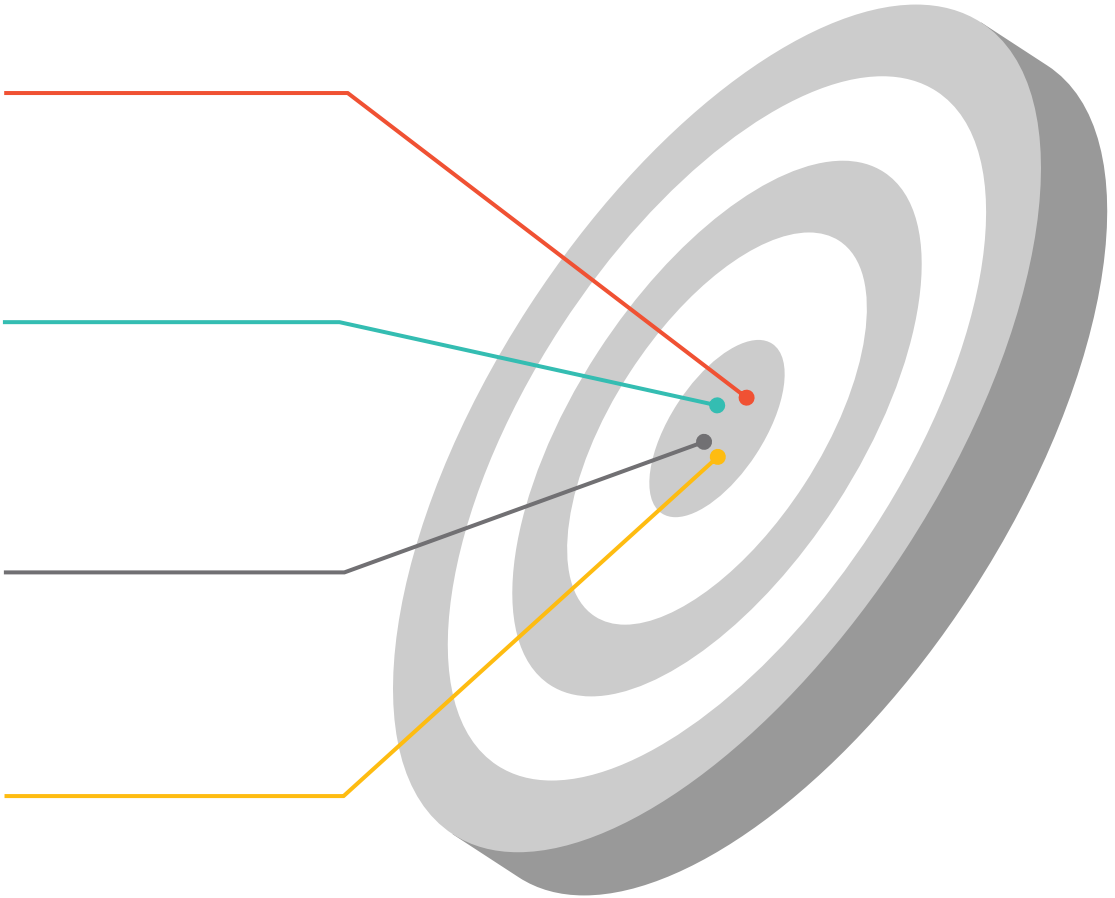

Assist attendees in identifying projects that align with their strategic plan and the IRA

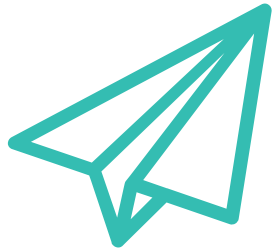

Create peer-to-peer connections among America's Essential Hospitals members

Engage members with experts in this space

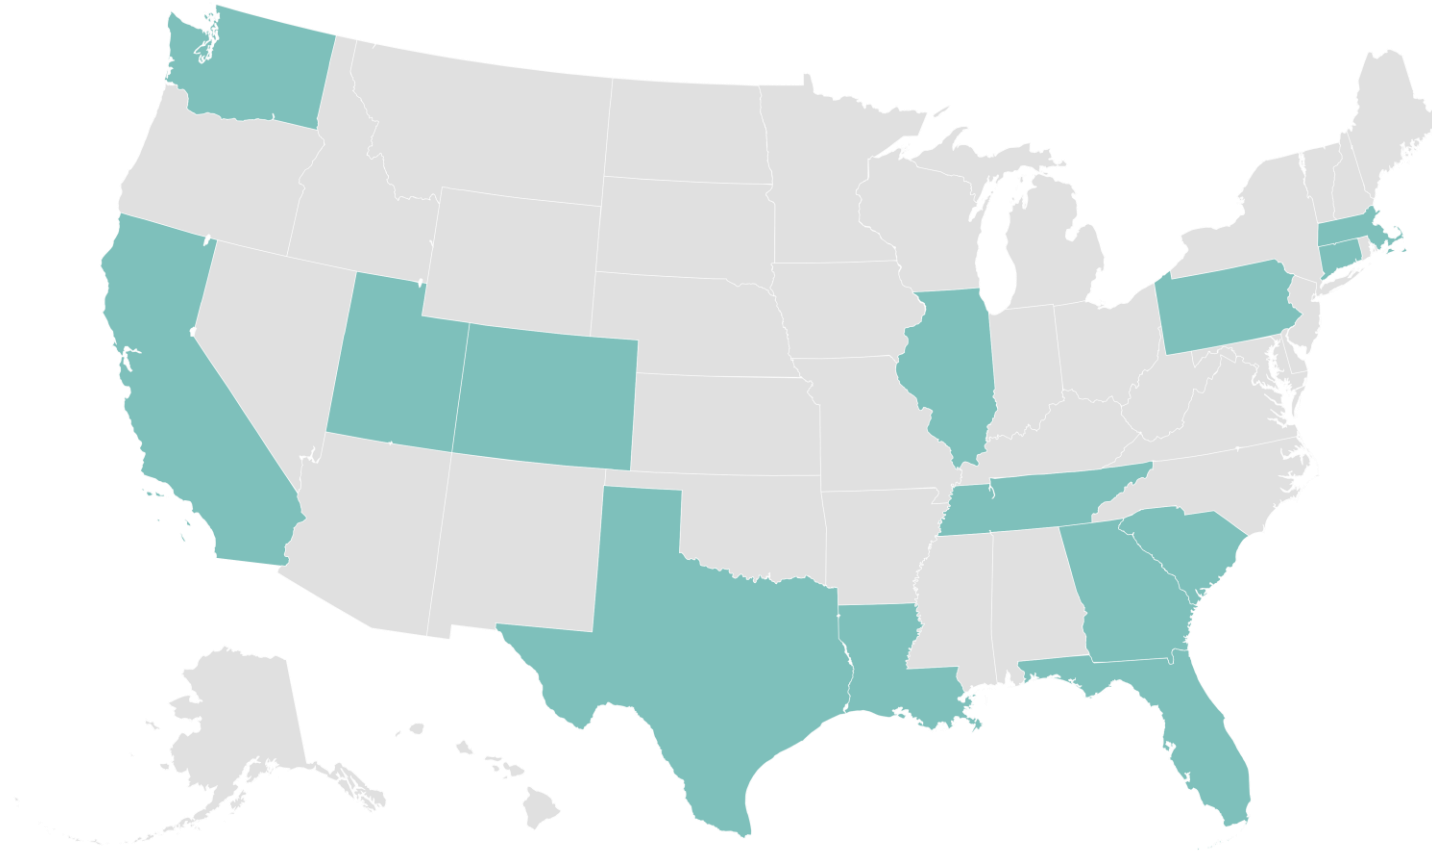

SIGN-UP SURVEY

Fill out this [survey](#) to receive email correspondence and calendar invitations!

WHAT WE HEARD FROM YOU

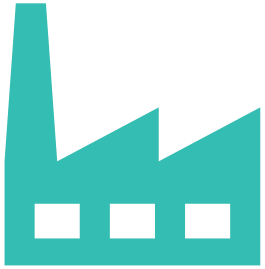

Most Pressing Challenges

- Where to start
- Project identification and timing
- Overall costs
- Identifying what funding opportunities are available
- Level of expertise required to access funding

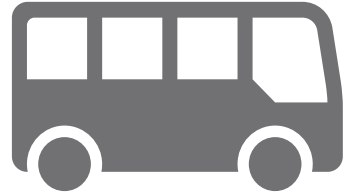

Areas of Interest

- Projects: electric vehicles, onsite renewables, energy efficient building, solar, operating room, system updates
- Programs & Partnerships: Greenhouse Gas Reduction Fund, elective pay, Practice Greenhealth, consulting groups, local utility incentives, community partnerships

LEARNING LAB FOCUS AREAS

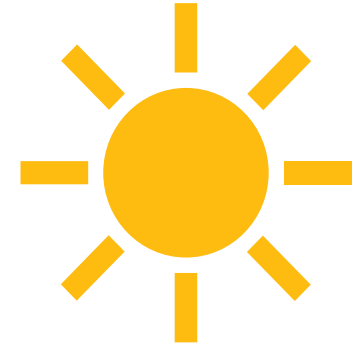

**Greenhouse Gas
Reduction Fund**

**Clean
Transportation**

Energy Efficiency

Renewable Energy

LEARNING LAB SCHEDULE

SESSION (TOPIC)	DATE	TIME
Session 1 (Introduction and Overview)	Thursday, July 11	All meetings will be from 1–2 pm ET.
Session 2 (Greenhouse Gas Reduction Fund)	Thursday, July 25	
Session 3 (Transportation Efficiency)	Thursday, September 12	
Session 4 (Transportation Efficiency)	Thursday, September 26	
Session 5 (Energy Efficiency)	Thursday, October 10	
Session 6 (Energy Efficiency)	Thursday, October 24	
Session 7 (Renewable Energy)	Thursday, November 7	
Session 8 (Renewable Energy)	Thursday, November 21	
Session 9 (Wrap-Up, Next Steps)	Thursday, December 5	

LEARNING LAB DOCUMENT REPOSITORY

SESSION (TOPIC)	RELEVANT MATERIALS
Session 1 (Introduction and Overview)	<ul style="list-style-type: none"> • Inflation Reduction Act Summary • Elective Pay, Investment Tax Credits, and Bonus Credits
Session 2 (Greenhouse Gas Reduction Fund)	<ul style="list-style-type: none"> • Inflation Reduction Act Summary, pp. 10–11 • Greenhouse Gas Reduction Fund Overview
Session 3 (Transportation Efficiency)	<ul style="list-style-type: none"> • Inflation Reduction Act Summary, pp. 4–6
Session 4 (Transportation Efficiency)	<ul style="list-style-type: none"> • Qualified Commercial Clean Vehicle Credit • Alternative Fuel Vehicle Refueling Property Credit
Session 5 (Energy Efficiency)	<ul style="list-style-type: none"> • Inflation Reduction Act Summary, pp. 6–7
Session 6 (Energy Efficiency)	<ul style="list-style-type: none"> • Energy Efficient Commercial Buildings Design
Session 7 (Renewable Energy)	<ul style="list-style-type: none"> • Inflation Reduction Act Summary, pp. 2–4
Session 8 (Renewable Energy)	<ul style="list-style-type: none"> • Solar Energy and Energy Storage Provisions Summary
Session 9 (Wrap-Up, Next Steps)
